OTHER NEWS...

IMPORTANT DATES - YEAR 6 SATS

Please be aware when arranging appointments etc. that Year 6 children will start their SATs on Monday 12th May until Thursday 15th May.

Any issues please inform the office as soon as possible.

World Book Day

A letter was sent out on Wednesday regarding the missions for World Book Day.

Mission 1:

Each child will be bringing home two 3D polystyrene shapes. The challenge is to recreate a book character they love from the shapes. The children may paint them, add fabrics and cardboard for detail or put them into a scene. They could change the 3D shape to suit their idea as a sculptor would. The possibilities are endless! Sorry - I know it's polystyrene and I know it's messy!

Mission 2:

Your child may wish to illustrate their favourite book cover in paint or pencil. they may wish to use pop-up feature too. These could be any size.

The missions are voluntary so any models or illustrations that arrive on (or before) the 6th March will be warmly received.

Tennis (KS1) and Multi-Sports (KS2) - Available places!

There are still available places for Tennis at KS1 with Coach Dom and Multi-Sports with Mr Johnson.

If your child would like a place, please let Miss Miller know.

Lay-by

We kindly ask parents not to park in the lay-by due to the increased number of taxis picking up and dropping off children.

Thank you
