BREAKFAST CLUB - SURVEY

From the Department for Education:

Subject: Your voice matters, and you could win £100 by telling us about your family's morning routines.

Blyton cum Laughton Church of England Primary School now runs a free breakfast club, and we're taking part in a national study to help inform how they are run both here and across the country.

Take the 10-minute survey - <https://ipsos.uk/FWCTWS>

We need your help. Independent researchers at Ipsos want to hear from parents and carers about what your family's mornings look like. Whether or not your child attends free breakfast club, we'd like to hear about your morning routines and before school childcare.

Researchers worked closely with parents to make sure this survey asks the right questions and doesn't take up too much of your time.

- **The ask:** Complete a 10-minute survey
- **The thank you:** A chance to win a £100 voucher
- **Who:** Everyone! We'd like to hear from you whatever your mornings look like

Please complete the survey by **23rd October 2026**. Your answers will help inform the national rollout of free breakfast clubs.
