

OTHER NEWS...

KS1 MACMILLAN COFFEE MORNING

Thank you so much to everyone who attended and donated cakes/biscuits to the KS1 Macmillan Coffee Morning yesterday. We raised an amazing £190!

YEAR 6 CONSTRUCTION DAY

Year 6 had an amazing day at Construction Day, children learned a range of skills from brick laying, plastering and joinery. Two children have already got their future careers as brick layers mapped out.

The children took part in 4 activities each; at every stage, the providers commented on our enthusiasm, our questioning, our views on safety in the workplace and our behaviour overall. We were incredibly proud of our children during this trip.

On your next visit to the KS2 site please take time to look at the pictures of the trip in the corridor.

YEAR 3 & 4 - NICK SHARRATT WORKSHOP

Year 3 and 4 had a fantastic time at the Nick Sharratt workshop yesterday! The children were wonderfully behaved and thoroughly enjoyed the experience.

We were especially lucky that Nick Sharratt created some unique illustrations just for our school at the end of the session - such a special treat!

VOLUNTARY CONTRIBUTIONS

Opportunities like these are invaluable for our children, giving them experiences they'll remember for years to come. We're so grateful for the voluntary contributions we receive towards trips, as they help make events like this possible. Without them, we know that schools are unable to take part.
